CO-ORDINATING COMMITTEE

Export of Quartz Crystal Units to Poland

Memorandum by the United Kingdom Delegation

The United Kingdom authorities have been asked to approve the export to Poland of the following:

10 type JCF Quartz Crystal Units 8280 I.L.1587

Frequency 100 kcs.

These crystals which are being purchased by Elektrim Warsaw, are required for making astronomical clocks to be installed in various Polish observatories.

2. Her Majesty's Government wish to approve this export under the special Polish exceptions procedure. The usual assurance against re-export has been obtained. In view of the small amount involved Her Majesty's Government would be grateful for the views of Member Governments by May 28.

United Kingdom Delegation,

Paris,

May 11, 1959.
